# January 13th Capitol Steps Rally: Say No to Liquefied Natural Gas in Oregon and Say Yes to Renewable Energy Development!

Call to Action for the Pacific NW

"Clean Energy for Oregon"  
Tuesday, January 13th  
11 AM to 1 PM  
Capitol Steps, Salem

- Make your voice heard to oppose LNG!
- Keep Oregon on track to achieve our clean energy and climate change goals!
- Protect farms, forests and rivers from devastating pipeline impacts!
- Protect Oregon's economy from further investment in foreign sources of energy!

We must come together on January 13th to let our state legislators know that we are UNITED for CLEAN ENERGY!
